Resort Tax:

The resort tax is used to cover part of the expenses for the acquisition, expansion, improvement, renovation and maintenance of the tourism facilities and grounds as well as the infrastructure, cultural activities and events necessary for this purpose.

Explanation of the duty to pay resort tax:

§1 Statute for imposing a resort tax in the municipality of Pfronten: „People who stay in the spa region of Pfronten for spa and recreational purposes, whose main residence is not located in the region within the meaning of the registration act, and who are offered the opportunity to use the spa facilities and participate in the events on offer, are obligated to pay a resort tax. This duty does not depend on whether and to what extent services provided by organisations and local areas which offer resort facilities are actually used.“

Calculations of resort tax in resort area I and resort area II:

Resort Area I: 2,40 € (from 16 years of age) & 1,50 € (from 7 to 16 years).

Resort Area II (Districts Kappel und Rehbichl): 1,80 € (from 16 years of age) & 1,20 € for people from 7 to 16 years of age.

From 01.11. to 15.12. only 50% of the resort tax amount is charged per day in all spa areas. The amount of the resort tax is reduced by half upon presentation of a severe disablement card with a disability level above 80 (GdB 80).
